Ref. no. FDD-19729

Implementation of registration ban

Dear Madam, Dear Sir,

We refer to the abovementioned matter as well as to the Decision passed by FIFA in the matter ref. no. FPSD-14959 (**the Decision**).

In this context, it appears that, despite the Decision, Association Sportive Abeilles (**the Respondent**) has still not complied with its financial obligations Cheick Oumar Kone (**the Claimant**).

In this regard, we wish to inform the parties that **a ban from registering new players internationally has been implemented on the Respondent by FIFA**. In accordance with the Decision, the registration ban will remain active **until the amount due is paid, for a maximum duration of three entire and consecutive registration periods**.

In the event that full payment (including applicable interest) is still not made by the end of the three entire and consecutive registration periods, the Claimant may submit a request to the FIFA Disciplinary Committee to impose a further registration ban and additional disciplinary measures. Please note that the Claimant may also request a provisional extension of the initial registration ban pending decision of the FIFA Disciplinary Committee.

Lastly, and in accordance with the aforementioned decision, **the Beninese Football Association is requested to immediately implement on the Respondent, if not done yet, a ban from registering new players at the national level**.

We thank you for taking note of the above and for your valuable cooperation in this matter.

Yours sincerely,
